

CUMULATIVE TABLE OF CONTENTS

Number 1

Cancer of the Lung: Part II

David T. Carr, M.D., Guest Editor

| | | | |
|--|----|--|----|
| The Surgical Treatment of Lung Cancer Neal Martini, M.D. and Edward J. Beattie Jr., M.D. | 1 | Hari M. Dhingra, M.D., Calvin Dixon, M.D., William K. Murphy, M.D., Gary Spitzer, M.D., Karel A. Dicke, M.D., David T. Carr, M.D., and Gerald P. Bodey, M.D. | 28 |
| The Role of Adjuvant Therapy in the Surgical Treatment of Lung Cancer Clifton F. Mountain, M.D. | 9 | Immunotherapy of Lung Cancer Richard A. Matthay, M.D. | 42 |
| Radiation Therapy in the Management of Carcinoma of the Lung Carlos A. Perez, M.D. | 17 | The Treatment of Small Cell Cancer of the Lung Oleg S. Selawry, M.D. | 56 |
| Antineoplastic Chemotherapy of Advanced Lung Cancer Manuel Valdivieso, M.D., Peter Farha, M.D., Theera Umsawasdi, M.D., Daniel J. Booser, M.D., Mirtha T. Casimir, M.D., Delia F. Chiuten, M.D., | | Bronchioloalveolar Lung Cancer Rajeev Malik, M.D., Robert Keating, Ph.D., and Manuel Valdivieso, M.D. | 63 |
| | | What About the Future? David T. Carr, M.D. | 76 |

Number 2

Lung Pathology for the Clinician

S. Donald Greenberg, M.D., Guest Editor

| | | | |
|---|-----|---|-----|
| Pathology of Adult Respiratory Distress Syndrome: Implications Regarding Therapy Philip C. Pratt, M.D. | 79 | Asbestos Lung Disease S. Donald Greenberg, M.D. | 130 |
| Bronchitis and Emphysema Cooley Butler, M.D. | 86 | New Concepts in the Diagnosis of Mineral Pneumoconioses Victor L. Roggli, M.D. and John D. Shelburne, M.D., Ph.D. | 138 |
| Asthma and Asthma-Associated Immunologic Lung Diseases David H. Dail, M.D. | 93 | Pulmonary Cytopathology in the Compromised Host William W. Johnston, M.D., F.I.A.C. | 149 |
| Pathology of Drug-Induced Lung Diseases Carlos W.M. Bedrossian, M.D. | 98 | Carcinoma in Situ of the Lung: Its Development, Detection, and Treatment Geno Saccomanno, Ph.D., M.D. | 156 |
| Rheumatoid and Other Collagen Lung Diseases Ray E. Stanford, M.D. | 107 | Needle Aspiration Biopsy of Pulmonary Tumors William J. Frable, M.D. | 161 |
| Pulmonary Vasculitides and Related Granulomatosis Mario J. Saldana, M.D. | 113 | | |
| Pathologic Features of the <i>Legionella</i> Pneumonias Washington C. Winn Jr., M.D. | 123 | | |

Number 3

Pulmonary Function Testing

Reuben M. Cherniack, M.D., Guest Editor

| | | | |
|--|-----|--|-----|
| Mechanics of Breathing Reuben M. Cherniack, M.D. | 171 | Tests of Small Airway Function Norbert Berend, M.D. | 214 |
| Office Spirometry Thomas L. Petty, M.D. | 184 | Inhalation Provocation Tests Frederick E. Hargreave, M.D., Jerry Dolovich, M.D., and Louis-Philippe Boulet, M.D. | 224 |
| Pulmonary Ventilation, Circulation and Gas Exchange Reuben M. Cherniack, M.D. | 197 | Exercise Testing Joseph F. Souhrada, M.D., Ph.D. and Reuben M. Cherniack, M.D. | 237 |
| Interpretation of Pulmonary Function Tests Reuben M. Cherniack, M.D. | 206 | | 327 |

| | | | |
|---|-----|---|-----|
| The Control of Breathing in Clinical Practice: Its Significance and Assessment Clifford Zwillich, M.D. | 247 | Assessment of Pulmonary Disorders During Sleep Richard J. Martin, M.D. and David W. Hudgel, M.D. | 258 |
|---|-----|---|-----|

Number 4

Pulmonary Edema

Kenneth L. Brigham, M.D., Guest Editor

| | | | |
|--|-----|---|-----|
| Pathology of Pulmonary Edema Barbara O. Meyrick, Ph.D. | 267 | Pulmonary Vascular Reactivity in Primary Pulmonary Edema John N. Newman, M.D. | 296 |
| Basics of Lung Fluid Balance Thomas R. Harris, M.D., Ph.D. | 274 | Roles of Arachidonic Acid Metabolites in Endotoxin-Induced Pulmonary Edema Martin L. Ogletree, Ph.D. | 303 |
| Secondary Pulmonary Edema Richard E. Parker, Ph.D. | 279 | Granulocytes as Mediators in Pulmonary Edema Gordon R. Bernard, M.D. | 308 |
| Primary (High Permeability) Pulmonary Edema Kenneth L. Brigham, M.D. | 285 | Therapy of Pulmonary Edema Kenneth L. Brigham, M.D. | 313 |
| Effects of Pulmonary Edema on Lung Mechanics James R. Snapper, M.D. and James R. Sheller, M.D. | 289 | Future Directions for Clinical Medicine Kenneth L. Brigham, M.D. | 317 |
| Effects of Pulmonary Edema on Airway Reactivity James R. Sheller, M.D. and James R. Snapper, M.D. | 293 | Editor's Perspective Thomas L. Petty, M.D. | 321 |
